

## Harlton Organ Scholarship Trust (HOST) – Harlton Annual Parish Report

HOST is thriving, with three scholars: two from Comberton Village College and one from Parkside Community College. Scholars will be reviewed in late May and, if necessary, auditions will be held for any new scholars later in the summer.

The Trust is sound financially, but an increase in invested capital would ensure that the Trust would continue in perpetuity. There are four Trustees in Harlton and one at Jesus College.

It is planned for the Scholars to hold a Concert this summer in Harlton Church to which villagers and friends will be invited.
